

## GENTERA INFORMS INCREASE TO ITS 2022 GROWTH GUIDANCE

**Mexico City, Mexico, on June 8, 2022 – GENTERA, S.A.B. de C.V.** (BMV: GENTERA\*), a leading group in financial inclusion whose objective is to bring development opportunities through financial services with a human sense, announces the decision to increase its portfolio growth and EPS guidance for the year 2022 based, among other factors, on the following:

- 1) Improvements in growth and operating trends in Mexico and Peru over what was originally expected.
- 2) Good portfolio quality and expense control; and
- 3) The early advances of the previously communicated Transformation strategy.

**Therefore, by the end of 2022 we expect to grow as follows:**

- **Consolidated Credit Portfolio** between **15 and 17%**.
- **Earnings per Share (EPS)** in a range of **Ps. 2.45 to Ps. 2.55**

Aligned with our Transformation strategy, we are committed to achieving greater financial inclusion by seeking to serve more customers in a more efficient and digital way in the future, through the different companies that integrate GENTERA.

At GENTERA we reinforce our commitment to our clients, our employees, society, and our shareholders, with the clear objective of continuing to support our clients on the path of achieving their dreams, and thus continue to strengthen the economic reactivation of the different communities we serve, and in this way generating shared value for all.

\*\*\*

### Note on Forward-Looking Statements

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, Company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the Company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
