

## **GENTERA announces the beginning of the investment process in ConCrédito**

**Mexico City, November 4, 2021 - GENTERA, S.A.B. de C.V. ("Gentera" BMV: GENTERA\*)** announces the formalization of the investment process to acquire an additional share, of up to 23.9%, in ConCrédito, a company integrated by Fin Útil, S.A. de C.V. SOFOM, E.N.R., Comfu, S.A. de C.V. and Talent ConCrédito S.A. de C.V. This additional investment is aligned with what was previously announced.

Gentera expects to execute the transaction no later than August 2022, with which it would reach a 74.9% shareholding in ConCrédito; The transaction is subject to conditions to be met, which includes obtaining authorization from the Federal Economic Competition Commission (COFECCE).

**ConCrédito and GENTERA** will continue to work in a coordinated manner in the administration and operation of the business to implement synergies in the shortest possible time, and thus be able to serve a greater number of clients in a more efficient and digital manner in the future.

---

#### **Note on Forward-Looking Statements**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, Company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the Company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
